Summer Art Day Camp at Archer Park

Children ages 7-16, two and one week sessions

First Night Monterey Art Studio

542 Archer Street Monterey

A program developing positive, creative thinking for children using the arts as a catalyst

Children of all ages love the chance to be creative and First Night Monterey's Summer Art Camp provides the place to imagine, create, explore and participate! There is a lot of fun and learning as children create in a real studio environment and have the opportunity to paint, draw and sculpt with a variety of both traditional art and found-object materials. They create portraits, still life, and abstract two & three dimensional compositions and photography. Each two-week session will take a field trip to do a plein air paint session in Monterey. No art experience needed!!

7-12 year olds

Youth will learn design, color composition, shape and texture. Projects include painting, drawing, printmaking and sculpture projects with time to create masks and light up sculptures with movable parts! Sessions will include playtime breaks at Archer Park, located right outside our studio.

12-16 year olds

The teen workshop is centered on taking their skills to a new level and working on multi-disciplinary projects, with a strong emphasis on using recycled materials to recreate a new work of art! Teenagers learn to create in a small process-oriented class designed to encourage individual expression and understanding of specific processes. The class works collaboratively and individually with time for work-shopping ideas to develop new ways of seeing. Learning how art integrates with other disciplines is strongly emphasized.

These full-day camps offer in-depth art experiences and students use design-thinking processes to explore a variety of media. The camp culminates with an exhibition of the student work on display. An Art exhibit on the last Friday of the session with framed artwork with students creating their own gallery space! Camp is located between two play parks- fun is making art and playing outside!
